**RE: Important notice regarding your Annual Escrow Account Disclosure Statement and your new escrow payment amount**

**This statement is for informational purposes only**

Dear Customer(s):

SPS reviewed your escrow account to determine your new monthly escrow payment. Following are the answers to the most common questions we receive about the escrow account and the details related to the analysis.

**1. What is the amount of my new monthly payment?**

The table below shows your new monthly payment, including any escrow changes from this new analysis statement.

Table 1	Current Payment	New Payment (as of 10/01/2025)	Change
Principal and Interest	\$461.97	\$461.97	
Regular Escrow Payment	\$232.05	\$361.59	\$129.54
Monthly Shortage Payment	\$0.00	\$167.97	\$167.97
Total Payment	\$694.02	\$991.53	\$297.51

Since you are in active bankruptcy, your new payment amount shown above is the post-petition payment amount due.

**2. Why did the escrow portion of my payment change?**

There are three main reasons why your escrow account payment may change from year to year.

- A. Regular Escrow Payments** - Changes occur based on differences between the expected property tax or insurance payments for the prior year and the expected property tax or insurance payments for the current year. Table 2 shows those differences and any resulting monthly shortage change, which is explained in section C.

Table 2	Prior Year Estimated Disbursements	Current Year Estimated Disbursements (as of 10/01/2025)	Change
Tax Disbursements	\$711.65	\$709.07	\$-2.58
Hazard Insurance Disbursements	\$2,073.00	\$3,630.00	\$1,557.00
Total Annual Escrow Disbursements	\$2,784.65	\$4,339.07	\$1,554.42
Monthly Escrow Payment	\$232.05	\$361.59	\$129.54
Monthly Shortage Payment	\$0.00	\$167.97	\$167.97

See reverse side

- B. Escrow Reserve Requirements** – RESPA/Federal law allows lenders to maintain a maximum of two months reserve in your escrow account, commonly referred to as a cushion. However, based on state, investor, or modification requirements your cushion requirement may be less than the Federal requirement. Your account has a monthly reserve requirement of 2 months. This reserve is established to cover unanticipated increases in your property taxes, insurance and other escrow amounts. The monthly reserve requirement amount is \$723.18 and is accounted for in your monthly escrow payment reflected above in Tables 1 and 2. If your account has mortgage insurance, the monthly mortgage insurance amount has been removed from the escrow reserve requirements.
- C. Escrow Shortage** – The balance of the escrow account as of the date of this analysis has a deficiency of \$4,491.90. The ending balance in table 3 and the beginning balance in table 4 of \$-760.67 is based on an assumption of receipt of the scheduled payments that are due on the account, as indicated by the letter E next to the payments. If the scheduled payments are made there will be a shortage in the account of \$2,015.65.

Please be advised that this is not an attempt to collect any pre-petition debt, which we have previously claimed on the Proof of Claim. Any shortages used to calculate this analysis do not include any unpaid taxes and/or insurance that we previously filed in the Proof of Claim. In Table 1, the "Regular Escrow Payments" row shows the full escrow payment required, including all escrow elements and the "Monthly Shortage Payment" row shows the current amount of monthly shortage which is the amount to be collected towards the shortage. In Table 2, the "Monthly Escrow Payment" row shows only the escrow elements without any overage/shortage amounts and the "Monthly Shortage Payment" row shows the current amount of monthly shortage which is the amount to be collected towards the shortage.

Your unpaid pre-petition escrow amount is \$0.00. This amount has been removed from the projected starting balance.

Your total shortage is determined by adding your actual beginning escrow account balance shortage to your required beginning balance.  $\$760.67 + \$1,254.98 = \$2,015.65$ . We will collect the total amount over 12 months at \$167.97 per payment.

Table 3 below shows a detailed history of your escrow account transactions since your last analysis. An asterisk (\*) indicates a difference from a previous estimate in either the date or the amount. The letter E beside an amount indicates that the payment or disbursement has not yet occurred but is estimated to occur as shown prior to the effective date of this new analysis. Please note, if the payment or disbursement month shown in table 3 is the same month of this completed analysis and there is an asterisk (\*) or the letter E next to the amount, the disbursement or amount may have already occurred by the time you receive this analysis statement and the actual amount may differ from the amount reflected below.

Table 4 below shows a detailed projection of future estimated escrow activity of your escrow account transactions since your last analysis as well as a projection of future escrow activity. The double asterisk (\*\*) next to the required balance indicates the lowest projected balance in the analysis. This low balance is used to determine the surplus or shortage in your escrow account at the time of this analysis.
